Re: Brivar Construction Company
C/O Craig Stockard
7258 Kensington Road
Brighton, Michigan 48116

I am writing to recommend Craig Stockard of Brivar Construction Company. I have had the pleasure of working with Craig on two separate build-out projects. Both projects were completed on time and were ready as promised. We have such efficient use of our current space and are very pleased with it. We receive compliments on a regular basis, even after being here for more than two years.

Craig has the resources and ability to get things accomplished in a seamless and timely process. I do not hesitate at all in recommending Brivar Construction Company and Craig Stockard for construction work from tear downs, to remodels, to new construction.

I am confident that when the time comes for our next project, I will be calling Craig Stockard and Brivar Construction Company.

Sincerely,
